

Bell Calling Cards

A simple way to keep in touch

At Bell, we understand how important it is to stay connected when you're away from the office. To be able to pick up a phone, from wherever you may be, and check in with your co-workers, suppliers or customers. That's what **Bell Calling Card** service is all about. Convenient, simple calling, billed to your business even when you're away from it.

With Bell Calling Cards, you benefit from local, or long distance access anywhere within North America and most of the world. Call over 200 overseas countries from North America. Call North America from roughly 130 overseas countries worldwide. Even call from one of approximately 80 overseas countries to another. Connect to the office, or on behalf of the office, from a payphone, your home, a hotel or a customer's office. Use your Bell Calling Card to make long distance calls from restricted dialing phones at work. Your time will simply be charged to your monthly business long distance bill.

Bell's Calling Card service can be programmed to limit access from overseas countries to secure your peace of mind. And each cardholder is able to program their own personal identification number, ensuring it is easy to remember and difficult to misuse.

Choose Bell Calling Card Service for easy, customized service

Bell makes Calling Card service easy. With a single Toll-free access number for calling within North America, and easy to follow access numbers for overseas calling, your Calling Card is simple to use.

Bell's Calling Card features make it possible for you to maintain productivity, reduce expenses and keep in contact with key employees, suppliers and customers.

Bell Calling Card features

Single North American Access Number connects you quickly and easily from anywhere in North America, or simply swipe your card if you're calling from a swipe-capable phone.

Sequential Dialing allows you dial up to five numbers without having to re-enter your Calling Card information.

Range Privileges restrict Calling Card access from overseas countries to control costs and deter long distance misuse.

Bell Calling Card service makes things simple for you

It's easy to do business with Bell. We make it simple by offering the Calling Cards for free, so you only pay for the time you use, when you use it. There's no need to purchase any other Bell service, you simply need a billing address within Canada. And as always, you can count on Bell's reliable network and efficient, round-the-clock customer service.

The ability to integrate communications. For greater productivity. And cost efficiency. That's simply good business.
